Read Government Proceedings No. 10118—Ml. (458-05)-2 of 30th March 1906, regarding increment to Mr. H. F. Marker. Resolved that as the formation of the new Doddaholagere and the acquisition of the old Doddaholagere have not been completed, nor are they likely to be completed for another two years on account of the limited funds that can be made available for the works, the retention of No. III Sub-Division for another two years at least is absolutely necessary. Besides Mr. Marker has been put upon the Drainage works on account of his special aptitude for that class of work, having graduated in Sanitary Engineering. The Board consider that his services be retained, and the increment recommended be sanctioned.
